

WHAT DO ANIMALS NEED TO DO?

Read **Snack, Snooze, Skedaddle**. Follow these steps *in order* to solve the puzzle!

1. Find the animal who freezes solid for winter. Put a "G" in the blank below it.
2. Find the animal who grows a new coat. Put a "W" in the blank.
3. Find the animal who cuddles with friends. Put a "D" in the blank.
4. Which animal remains that migrates? Put an "E" in each blank.
5. Which animal remains that hibernates? Put an "R" in each blank.
6. Which animal remains that tolerates winter? Put a "T" in each blank.
