

Name _____

Can You Fill in the Great Lakes?

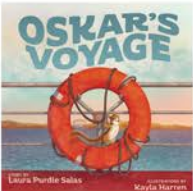

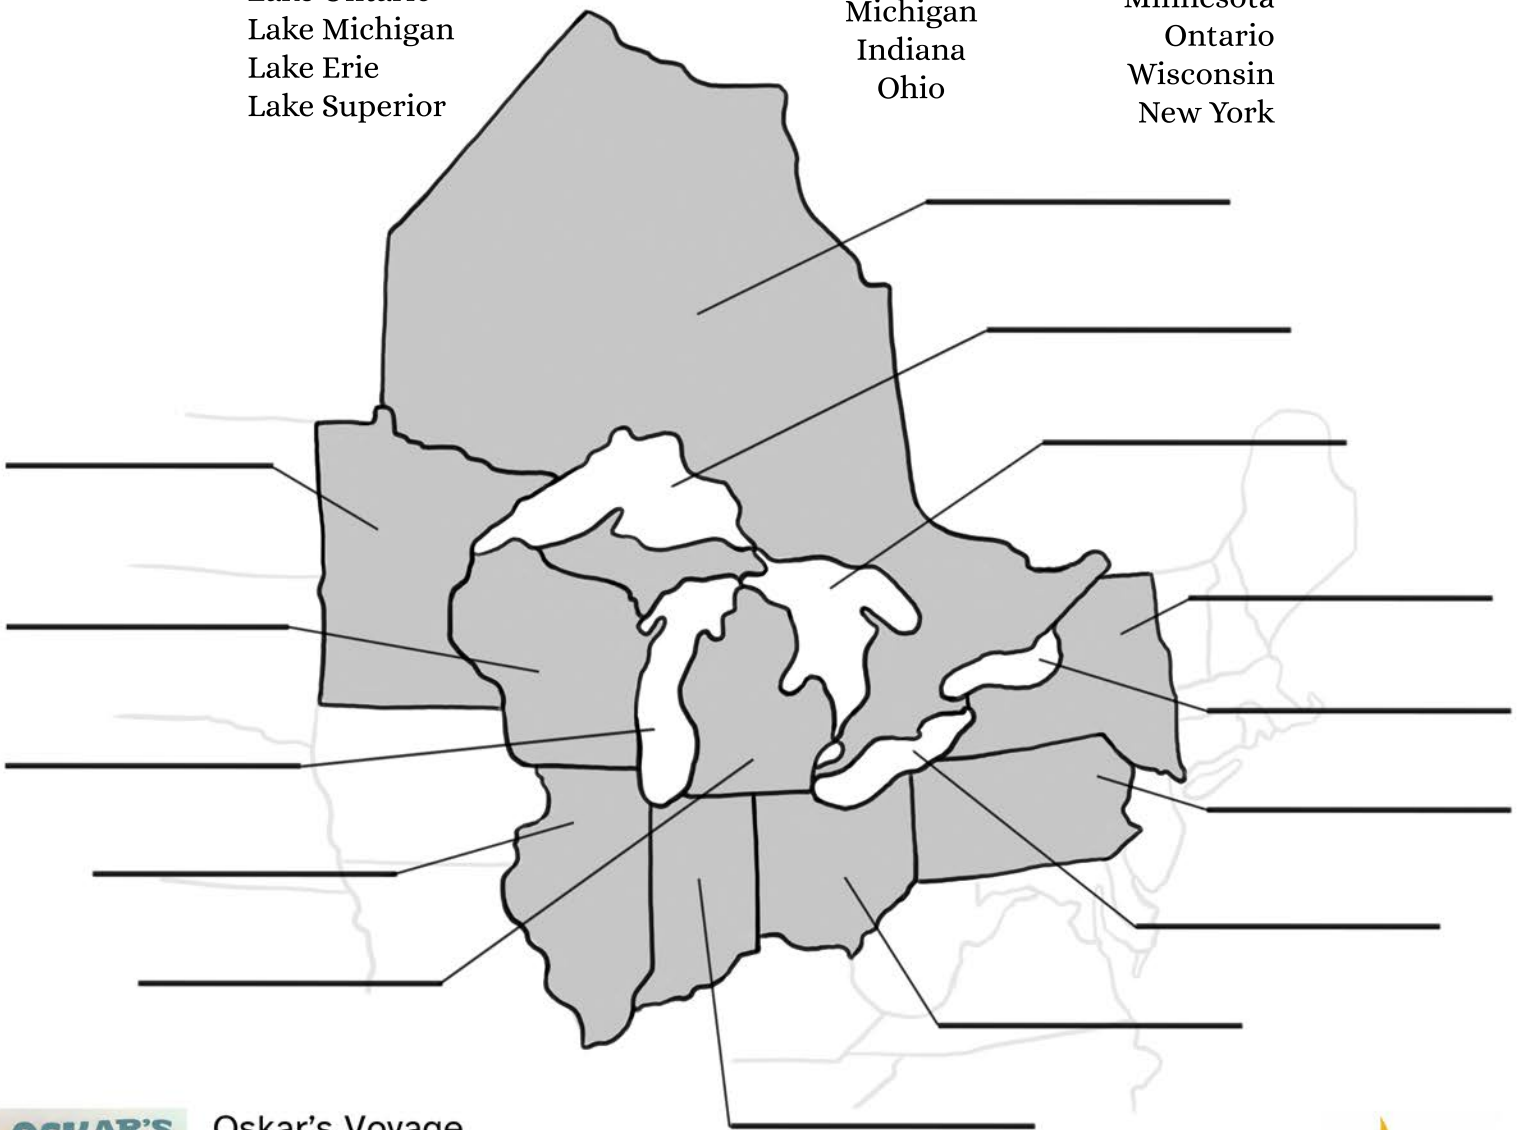

The Great Lakes are 5 enormous North American lakes. Together, they hold more than 20% of all the fresh water on earth. They are often called “inland seas.”

**Here are the names of the lakes and lands of the Great Lakes region.
Can you put the names in the right spots on the map?**

Lake Huron
Lake Ontario
Lake Michigan
Lake Erie
Lake Superior

Pennsylvania
Michigan
Indiana
Ohio

Illinois
Minnesota
Ontario
Wisconsin
New York
