

CHARLES WATERS

Free and Downloadable Teachers Guide and Authors Q & A at:

<https://www.charleswaterspoetry.com/books>

Questions for Students:

What do you wonder about: Friends? Family? Nature?
Existence of the planet and your role in it?

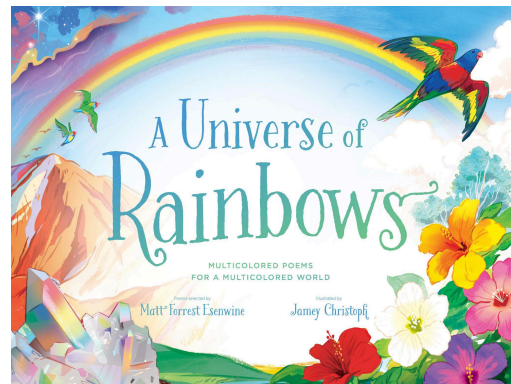

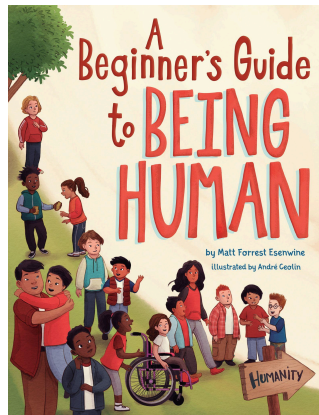

Student Homework:

Gathering a list from friends, family or their own memories of life moments.

Student Activity:

Give students 10 minutes to free write.
Have them make as many mistakes as possible on the page.
That's what revision is for!

MATT FORREST ESENWINE

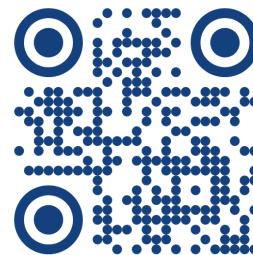

More info on book titles, activity sheets, author visits: www.MattForrest.com

WHAT IF? Activity:

- Pick a subject, location, activity, problem
- Ask questions: Why? How? When?
- What happens next?
- What if it was YOU? (*Empathy/Persona poem*)

Share answers, or work together!

LAURA PURDIE SALAS

(Paperback ed. out in Jan 25)

Laura Purdie Salas

Books celebrating wonder, kindness, & science

<https://LauraSalas.com> (website, plus sign up for e-letter for teachers)

Ask open-ended, open-hearted questions after reading:

- Have you ever felt that way?
- What would you do in that situation?

Poetry forms to express and reveal ourselves:

- Poetryactions (find more by scrolling down at <https://laurasalas.com/poetry/>)
- Equation poems (teaching guide & examples at <https://laurasalas.com/snowman>)
