

Spend A Day With **FLURRY, FLOAT, AND FLY!**

Got a whole school day (or just a couple of hours!) to fill before winter break? Here's a 'blizzard' of activities for the classroom that celebrate winter in a fun and engaging way!

All videos and downloadables can be found at laurasalas.com/flurry

Language & Writing

- Inspire students to hone their writing skills with the Snowy Cabin downloadable!

Math & Counting

- Use scissors to make folded snowflake art and upload photos to the Padlet!
- Count the snowflakes on the Padlet so far for an added math boost!

Large Motor Skills

- Try the story actions for FLURRY, FLOAT, AND FLY!--there's a video online!
- Invite students to get their winter wiggles out by making up their own story actions!

Science

- Test students' knowledge with the downloadable Winter Trivia sheet!
- Check out the Puppet Show video about how snow forms!
- Invite students to bring a cozy blanket or stuffy to cuddle up to during the video.

Art & Creativity

- Get creative juices flowing with a variety of downloadable coloring pages, all featuring beautiful art from the illustrator, Chiara Fedele.

Group Discussion

- Work together during circle time to fill out the Snowy Day Fun Venn diagram.
- Have students share their favorite snow story for extra fun!
